---

Dear Mr. Oaks and Team WIN ~

We are delighted to attach an overview of an exclusive new water source called EarthWater "*The Greatest Water on Earth*" [www.EarthWater.com](http://www.EarthWater.com)

This is a unique source of water that comes from a secret deposit in the USA containing over 70 trace minerals that have resulted in magical and remarkable results from radical improvements in health of body functions, to reduction in illness, Alzheimer's, Psoriasis and HIV.

The product is available in a 350 ml bottle for (MSRP \$1.95) and also (more importantly) available in concentrate form 100ML (MSRP \$19.95) that makes up to 50 bottles of water.

We represent this Company exclusively and also are shareholders and Directors. We are based here in Dallas and are seeking an exclusive relationship with a network marketing company like WIN.

We would love to visit at your convenience and bring you some free product for your team to experience and analyze.

Regards,  
CJ
